

RIMS AVID Tutor Training Calendar 2013-2014

AVID is a 6th through 12th grade college readiness system that prepares students in the academic middle for success in rigorous, secondary curriculum and four-year college enrollment.

Basic Training

This training is designed to advance the skills of tutors by modeling and practicing effective tutorial group strategies, developing higher order questioning techniques, reviewing methods for working with students, and providing an opportunity for tutors to discuss and solve problems. Support materials for completing the remaining 8 hours at the school site will be provided to each coordinator.

Advanced Training

This training is designed to refine the skills of tutors in order to continue to provide collaborative, inquiry-based tutorials.

Prerequisites: College tutors must have completed 16 hours of tutor training. AVID coordinator, elective teacher or site tutor trainer **must** participate in the training with the college tutors. AVID coordinator, elective teacher or site tutor trainer **must** have attended the Tutorology strand at Summer Institute or RIMS PATH Tutorology and offered on-going coaching/debriefing opportunities for the tutors at their site (over the basic 16 hours of Level 1 training).

Please Note

There will be a 45-minute lunch break for Basic Tutor Training. Please bring your own refreshments/snacks/lunch or money to purchase lunch. Most of the training locations **DO NOT** have vending machines.

AVID CSS Essential

Essential 8.2 – Tutors receive at least 16 hours of tutorial training in AVID methodologies and they demonstrate the AVID methodologies and WICOR strategies in their work with students.
